All Care™ **QUICKSAN** (E) - (Hand Sanitiser)

TECHNICAL DATA SHEET

Section 1 – Product Information

PRODUCT NAME	ALL CARE™ QUICKSAN (E)	PH	7.5 - 8.5
CHEMICAL CATEGORY	Sanitiser	FOOD GRADE	YES: Tested against BS EN 1276:2009
CHEMICAL TYPE	Neutral Solution	ODOR	Alcohol
VISCOSITY	Thin Liquid	COLOUR	Blue
FLAMMABILITY	Flammable	ACTIVE INGREDIENT	Ethanol 75 – 83% (Vol)

Section 2- Product Description

All Care™ **Quicksan(E)** is a hand sanitiser specially formulated for use in the following environments: Veterinary clinics, medical clinics, restaurants, home environment, public toilets, kitchens, hospitals, food manufacturing areas. Also safe for use in the food industry where a high standard of hygiene is required. This food grade product can be used on hands, shoes, toilet seats - all type of surfaces that require quick bacteria kill. All Care™ **Quicksan (E)** contains skin moisturisers to avoid drying out skin. This is a highly evaporative product and it should not be rinsed off after application.

ALL CARE™ HYGIENE SYSTEM PRODUCTS ARE SUITABLE FOR USE IN HACCP APPLICATIONS AND ARE BEST USED AS PART OF THE COMPREHENSIVE ALL CARE™ HYGIENE CLEANING PROGRAMME AVAILABLE FROM SA POLICHEM

Section 3- Bacterial Efficiency

Dilution All Duties	Contact time	Produced a log 5 reduction - Percentage kill of			
		P. aeruginosa	E. coli	S. aureus	E. hirae
NEAT	1 min	99.999%	99.999%	99.999%	99.999%

Section 3- Dilutions and applications

ALL DUTIES	100% / Neat / undiluted
Food grade product. Applications: Spray on hands, rub into the hands until completely dry spread evenly and shake few times for quick evaporation. Application: Could be dispensed by means of a dispenser. This method will secure the correct use of the product and will prevent the contamination thereof. Spray and wait to evaporate, spray and wipe, apply through touch-free dispenser, or walk-through floor bath (for disinfecting footwear).	

Section 4- Packaging and Product Code Information

SIZE	DESCRIPTION	STOCK ITEM	PRODUCT CODE	PALLET CONFIGURATION	TRUCK LOAD
100MI	Plastic Bottle	YES	ACQUIE100	n/a	n/a

Section 6- Quality and Standards

TESTING SPECIFICATION: Independently Tested	Tested against: BS EN 1276:2009
NRCS DISINFECTANT REGISTRATION NUMBER	N/A
ADDITIONAL CERTIFICATIONS OR STANDARDS	NO
MANUFACTURED BY ISO 9001:2015 REGISTERED FIRM	

Section 7- Safety and Precautions

	DESCRIPTION	PRECAUTION
1	Contact with eyes	Avoid contact with eyes. Eye contact is unlikely to occur during normal use. Accidental exposure of the eye to the formulation as supplied may result in eye irritation. For accidental eye contact, flush with running water for at least 15 minutes. If irritation persists, seek medical attention.
2	Inhalation	If Vapour inhaled, move individual to fresh air. If difficulty with breathing results, obtain urgent medical attention. Prolonged inhalation of high concentrations of the vapour may induce drowsiness, headache, loss of coordination and narcosis.

3	Skin contact	Prolonged and/or repeated application may cause skin dryness/cracking which could predispose individuals to cutaneous reaction. WARNING: Discontinue use if rash or irritation occurs. Unlikely to cause damage to internal organs following absorption through the skin.
4	If swallowed	Ingestion is an unlikely route of exposure. Oral ingestion of large quantities of the formulation as supplied may induce narcosis.
5	Product storage	Store in a sealed container, away from direct sunlight and at temperatures less than 35°C. Store away from foodstuffs and incompatibles such as oxidising agents.
6	Shelf Life	Shelf life of up to 2 years if stored out of heat and direct sunlight in a cool, dry place.
7	Other	DO NOT DRINK. Do not mix with other chemicals. KEEP AWAY FROM CHILDREN
8	Disclaimer of liability	We have drawn upon sources, which we consider reliable, for the information contained in this document. The correctness of the information is not guaranteed. The conditions or methods of use, storage, handling or disposal of this product are outside our control. For this reason, we assume no responsibility, and expressly deny any liability for loss, damages or expenses that could result from handling, storage, usage or disposal of the product. This document was prepared for this product and may only be used with it.

Section 8 - Labelling Iconography

KEEP FROM CHILDREN

Flammable

Irritant
